ALPFA, The Association of Latino Professionals in Finance and Accounting (ALPFA), is the leading professional association dedicated to enhancing opportunities for Latinos in the Accounting, Finance and other related professions.

Women Running for Women is an opportunity for driven women to meet an ambitious goal, for professionals from ALPFA to contribute and share in their success, for businesses to gain visibility in a socially responsible way, and for non-profits to highlight their work with, for, and by women. **Please visit them at www.alpfaboston.org/wrfw.**

Charities

The Boston Living Center (BLC) is a non-profit community and resource center whose mission is to foster the wellness of all HIV positive people and respond to the changing needs of the HIV/AIDS community. Through peer leadership and support, we strive to enhance and enrich the lives of our members by providing education, treatment information, and support services with the goal of empowering members to live productive lives and participate within their families and communities.

Bottom Line was founded in 1997 to improve our community by helping disadvantaged youth get in to college, graduate from college, and go far in life. Since then, we have helped thousands of students improve their lives and build stronger communities as role models, leaders, parents, and friends.

Mass Eye and Ear Infirmary is a specialty hospital dedicated to excellence in the care of disorders that affect the eye, ear, nose, throat, and adjacent regions of the head and neck. The Mass Eye and Ear provides primary care and serves as a referral center for outpatient and inpatient medical and surgical care.
